25X1 3. [] JSW) Met with Chairman Rivers and Russ Blandford to discuss the Director's appearance before the full Committee. I reviewed with them the proposed outline of content. It was suggested that we delete Soviet economy and Soviet domestic situation. It was also suggested that we delete the Congo but include some material on Cuba. It was stated that the date was not yet firm and they would let us know as soon as possible. It could be the 6th, 7th, or 8th or possibly postponed beyond that.

25X1 4. [] JSW) Talked with Mr. Michaels, House Appropriations Committee staff, who again stated the Chairman wished we could be of assistance [] 25X1

[] I said I would check on both of these and advise. I also discussed with him the content of the briefing saying I very much wished to get together with the Chairman on this. The Chairman was concentrating on organization of the Committee this week and so some time next week he would try to work this out for us.
